

Renunciation Prayer for Personal and Family Freedom

Dear Heavenly Father,

I come before You into Your heavenly court, seeking relief from the enemy and the wicked oppressor, the thief who has robbed me and my family of the ability to prosper and have abundant life according to Your word. John 10v10 says "The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly". I come to You, O God, as the heavenly Judge of all heaven and earth. I ask that Jesus will be my mediator and advocate before You today as in Job 16v19 and 1 John 2v1. I ask that the Holy Spirit will be my Comforter and witness as in John 14v16. I do not approach You on my own righteousness, for I have none; 1 Corinthians 1v30 "But of Him you are in Christ Jesus, who became for us wisdom from God—and righteousness and sanctification and redemption". I approach You based on Your goodness and mercy, and because of the Blood of Jesus "But God shows his love for us in that while we were still sinners, Christ died for us" Romans 5v8. Your blood has been shed for my sins. I am a blood-bought child of God and Your word tells me that I can ask for help in the time of my need. Hebrews 4v16 "Let us, therefore, come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need."

The adversary and accuser have sought legal grounds in order to indict me and enforce a curse on my life and that of my family. Luke 9v1 says that You Lord have given us authority over all demons and the works of darkness. Ephesians 4v8 says that You Jesus, led captivity captive and gave gifts to men". Lord today I want the gifts back and those things that You have freely given that the enemy has tried and has taken captive from me and my family. I no longer want to be tossed to and fro and carried about with every wind of doctrine, by the trickery of men in the cunning craftiness of deceitful plotting, but speaking the truth in love, grow up into all things into You who is the head Christ Jesus as in Ephesians 4v14-17. Our inheritance Lord is power over sin through You Jesus. I no longer want my understanding to be darkened, to be alienated from God because of ignorance that is in me because of the blindness of my heart. Where I have at times given myself over to lewdness and to work all uncleanness through greediness as in Ephesians 4v18-19.

I choose through You Jesus to put off concerning my former conduct, the old man which grows corrupt according to deceitful lusts and be renewed in the spirit of my mind that I may put on the new man which was created according to God in true righteousness and holiness as in Ephesians 4 v 22- 24.

I know Lord through various mechanisms and schemes, the enemy has tried to keep me from this. But I know through You Jesus, I have the victory. Psalm 91 promises me protection from the enemy and that I have a shelter of refuge with You. Ephesians 1v3 says that our Lord Jesus Christ has blessed us with every spiritual blessing in the heavenly places in Christ and in v5 it says that we are predestined to adoption as sons by Jesus Christ to Himself according to the good pleasure of His will and therefore according to v 6 I am accepted in the Beloved. In You we have redemption through Your blood, the forgiveness of sins, according to the riches of Your grace v8 which You made to abound toward us in all wisdom and prudence v9 having made known to us the mystery of Your will according to Your good pleasure which You purposed in Yourself v10 that in the dispensation of the fullness of the times You might gather together in one all things in Christ, which are in heaven and which are on earth in You. v11 In You also we have obtained an

inheritance, being predestined according to the purpose of You who works all things according to the counsel of Your will. v13 - 14 Says that because we trust in You and accept salvation, we are sealed with the Holy Spirit of promise who is the guarantee of our inheritance until the redemption of the purchased possession, that is me and my family, to the praise of Your glory. Lord, I ask today that through this petition, where the enemy has blocked that which is rightfully mine and my family's, those things spoken of in Your word will be unlocked and unblocked for us today. I choose to accept who I am in You and as I declare, as I renounce, as I make repentance and as I forgive, I ask that today in the realms that are unseen, the realms of the enemy in heaven and earth, war will take place and the spoils of the war will what has been raided from the enemy's camp that belongs to me and my family.

I ask as in Micah 3v7-11 that those that have been against us will be put to shame and be exposed and darkness shall come against them. Their own mechanisms will be used against them. I ask in Jesus' name that any human persecutors be given the opportunity to repent and come back to You Lord and if they refuse that their judgement will be from You. James 1v 6-7 says that God resists the proud but gives grace to the humble therefore we must submit to God, resist the devil and he will flee from us. I choose today to resist the devil through this petition and submit to You God by my confession, repentance (1 John 1v9), renunciations and forgiveness. As in James 1v8 I draw near to You God and therefore You will draw near to me. I cleanse my hands today as a sinner and purify my heart, my double-mindedness will end and as in v10, I will humble myself in Your sight Lord and in the end, You will lift me up.

Father God, as I pray this petition to You today, I put on my full armour of God as in Ephesians 6 as I stand on the battleground with You the Lord of Hosts and the warring angels and warrior angels to fight Satan for what belongs to me and my family. I ask for the angels that are on assignment for me and my family today to stand ready to go and do what needs doing on our behalf as I bring this petition before You as in Psalm 91 where You give the angels charge over us. I ask that demonic places of captivity will be located and demonic gatekeepers will be bound and the captive parts of our humanity - our spirit soul and body - will be brought out and rescued and taken to the third heaven for washing, healing, cleansing and deliverance and salvation if needed. I ask that those places of captivity wherever they may be in any age, timeline, realm, space, dimension and any other place or planet or star, will be destroyed and no longer be accessed by any means. I ask that any programs, backup programs and whatever Satan and his cohorts have in place to keep me and my family in bondage and captivity will be found and destroyed, blown up, pierced through with many arrows and instruments of war that will destroy every trace in Jesus' name. I ask that the demonic trading floors will be raided of all that belongs to us and that whatever the enemy has stolen from us will be returned sevenfold according to Your word. I ask in Jesus' name that every hidden document, oath, agreement, covenant, marriage certificate and whatever title or deed that Satan has kept a record of or hidden will be located by the angels and destroyed by the Blood of Jesus, cancelled out and made null and void. Every wrong word and a voice speaking out in the heavens against me and my family will be silenced by the Blood of Jesus that speaks as a voice in the heavenly courts on our behalf.

I ask in Jesus' name that every demonic altar that has been raised in the spirit against us will be located and destroyed, broken in pieces by the fire of God, and the ashes of the sacrifices will be blown away by the Rauch breath of God and that the voice crying out for those sacrifices will be silenced forever in Jesus name. No more sacrifices will be required in Jesus' name because You Jesus became the ultimate sacrifice on the cross and I pray that You will raise Your supreme altar above every demonic altar and declare their power broken and ineffective in the face of Your sacrifice and the blood of Jesus on our behalf. Thank You Jesus for Your selfless sacrifice that we did not deserve that came to give us life and freedom. I could never thank You enough for that Jesus, nor comprehend the magnitude of what You had to overcome and go through. But I thank

You today for that Jesus as without You, we would not be here and we would not have made it this far.

I also ask in Jesus' name that every demonic and counterfeit timeline or evil grid that has been set up for me and my family, today will be destroyed by fire and the weapons of warfare, the arsenal that heaven has and that those will be shut down in every place that they are, every dimension, planet, star, on the earth, under the earth or the heavenlies and that today freedom will come and we will walk perfectly in Your timeline Father God, as in Jeremiah 29v11 that You know that plans and purposes You have for us, for good and not for evil, to give us a future and a hope. Psalm 31v15 says "My times are in Your hands; Rescue me from the hand of my enemies and from those who pursue and persecute me".

Daniel 2v21-22 says that You change times and seasons; You depose kings and raise up others. You give wisdom to the wise and knowledge to the discerning. You reveal deep and hidden things; You know what lies in darkness, and light dwells with You. So I ask Jesus based on this and as my advocate, that You will change times and seasons on our behalf today in the courts of times and seasons, that satanic kings and principalities and powers will be deposed and that we will be raised up into our rightful places of dominion and authority in and over the territory that they have been occupying which actually is ours. I ask that all title deeds will be returned to You Jesus and be stamped with Your blood as a seal saying that it is taken back and now belongs to You and that You give us the wisdom to rule and reign as Your kings in those places. Every power structure that Satan erected in those places will be broken in pieces by Your rod of iron in Jesus' name.

I ask that You reveal the deep and hidden things and that which lies in the darkness that Satan wants to conceal from me and my family. I ask that the light that dwells in You will light up every hidden thing and every dark place so that nothing can be hidden from You or the angels on assignment for us today. That Your light will be a judgement on the enemy today and that they will cringe under the power of it and that it will go forth like a fire burning up every demonic harvest or future harvest planted that has been set in place to keep us in torment. I ask that they will be tormented by Your fire and by the very mechanisms they have put in place for us. They will fall into their own pits and places of captivity. I ask in Jesus' name that every demonic entity, non-human entity and any other being working with Satan against us will receive their judgement from You today in the courts of Heaven Father God the Judge. And that they will be rounded up like cattle going to slaughter tied up together with a 3-strand cord that cannot be broken and pulled to Your courts for their judgement this day.

Colossians 2v15 says that You disarmed principalities and powers, You made a public spectacle of them, triumphing over them in it. I ask that this will be their portion today - their judgement and that You through the cross and by the blood of Jesus made this possible.

I ask Lord that every portal or inter-dimensional access point to me or my family will be shut today and that there will be no more access in Jesus' name and that every portal will be sealed permanently by the blood of Jesus.

Thank You Lord for Your courts that I can come before You today, I ask that the cloud of witnesses will bear witness with me today as I bring the areas of my life before You and I pray for the wisdom of the Holy Spirit to guide me as I set out this petition now. I thank You that You hide me in the dimension of refuge and none of Satan or his kingdom will have any access to these words today as I write them and that when this petition is brought before You, they will be caught by surprise and off guard and there will be confusion, panic and disarray in the enemy's camps today. They will have no chance for contingency plans or to re-group or hide anything. Your light will expose all today in Jesus' name I ask.

I bring before the courts today all the repentance and renunciations I have already done on behalf of my family and myself and I ask that this will stand as a legal right on my behalf today and that it will be brought into remembrance. I ask that the scribes will take note of what is said today and that new scrolls will be written today and the angels that are agents of the court will be given a clear passageway from heaven to earth to deliver the scrolls and verdicts in Jesus' name. When its time, I call into the court today every demonic entity and every familiar spirit that needs to take its place for judgement and I know that Satan is an agent of the court and that he has to abide by the orders of the court otherwise he will be severely punished if him or his cohorts violate any of these orders. And he will also be called to judgement today for his part in trying to bring destruction to me and my family.

Generational

I ask today Lord God that You would remit the sins of my ancestors / generational family line for they did not know what they were doing and if they did, I ask that the false verdicts that have come down on us will be overturned as we did not commit to these things but they did and that we will no longer be judged or cursed for their sins and iniquities. I ask this through the finished work of the cross and the Blood of Jesus and through Your grace and mercy toward us as Your inheritance and Your children by adoption. Forgive us our stupid ways Lord, and our ignorance in doing good but our feet that are quick to do evil.

I ask that every familiar spirit that was attached to us because of any of these ancestral / family bloodlines that we made agreements with through any form of contract or agreement or partnership will be unassigned from us today and sent to the courts of heaven for judgement and they will not be reassigned but sent to where You choose to send them Lord Jesus.

Witchcraft - I repent for and renounce on behalf of my ancestors / generational family line for any and all involvement in the practices of witchcraft, occult magic, sex magic, witchcraft for power or favours and fame. Where witchcraft was used for revenge and retribution, where it was used to curse others or gain something illegally or bring harm to someone.

I repent and renounce any initiations, dedication and rituals that were done dedicating any member, male or female of our family line to be witches or warlocks or to be involved in any form of new age or occult. I repent and renounce any agreement made with Satan and the powers of darkness to use our family for their purposes and to impose curses should we not comply.

Secret organisations - I repent and renounce on behalf of my ancestors / generational family line for any and all involvement in secret organisations such as Freemasonry, Knights Templar, Knights of Malta, Broederbond, Ossewabrandwag, Voortrekkers, Nazi factions, Female societies and sects and any other secret organisation that I am not aware of.

Idolatry - I repent and renounce on behalf of my ancestors / generational family line for any and all involvement in the worship of idols or foreign gods. For sacrifices to Mammon, 4Baal and Molech or any Babylonian god represented in the heavens and the earth. For foods eaten and drinks drunk that were sacrificed to idols. For any temple prostitution related to the worship of idols. For any belief, these idols have power in any form or way. For the worship of the created instead of the Creator and where white or black magic was used to manipulate nature in any beliefs related to these gods or idols.

Jezebel network - I repent and renounce on behalf of my ancestors / generational family line for any and all involvement and partnership with the Jezebel network. I acknowledge that

pride and stubbornness are like witchcraft which is also idolatry. I repent for the women and the men in our family line that have perpetuated the Jezebel and Ahab curse and network by not submitting to God fully and for not laying down their prideful ways. I repent for and renounce any manipulation, domination and control that has been used to gain control over people and their emotions. For any passivity that has caused a loss of purpose, and meaning in life and also to control emotions and make others have to take responsibility where they have abdicated their responsibility.

Sexual immorality - I repent and renounce on behalf of my ancestors / generational family line for any and all involvement in any form of sexual immorality, perversion, bestiality, incest, rape, molestation, sex magic, homosexuality, pornography, worship of sex gods, sex magic, phallic symbols, partaking of any sex rituals for power, money or fame. For any prostitution or temple prostitution, breeding of babies for sacrifices and any other form of sexual perversion and immortality that I am not aware of.

Broken relationships - I repent and renounce for strife, hatred, anger and resentment in our family line. Where this has broken up families and relationships. I repent for divorce, separation and living together in a sexual relationship outside of marriage, so fornication.

Forgive us of all these things Lord and I ask that every assignment, curse and document as detailed above will be cancelled and made null and void in Jesus' name. All captive parts will be released as asked for and divorce certificates will be issued divorcing us from all these generational practices, agreements and curses in the name of Jesus.

Finances - Generational and personal

I come today against the enemy where he has brought any curse on our finances to be used for his purposes to bring any form of destruction in the kingdom of God and the body of Christ. Therefore, I ask You to hear my petition before the court. On behalf of myself and others in my family line, I ask You to forgive our sins, transgressions and iniquities.

I come before You seeking forgiveness for the misappropriation of finances in our history. Forgive us for poor stewardship, reckless spending, gambling, selfishness, and greed. Please pardon the times when we did not spend wisely, acted miserly, and asked for things with selfish intentions. Forgive us for hoarding, holding onto finances when You desired generosity and sowing. Forgive us for the wrong motive in our requests and for placing a monetary value on our service. Pardon us for not using our talents to their fullest potential in Your Kingdom.

We ask for forgiveness for placing ourselves under Old Testament law instead of embracing Your grace. Forgive us for failing to recognize our responsibility to invest our gifts and talents for Your Kingdom's growth. Release us from the legalism attached to our mindset and giving. Pardon us for unbelief and reluctance to release what's in our hands due to doubts about Your goodness. Forgive us for serving and sowing from an attitude of stinginess rather than generosity and grace. Pardon us for pursuing mammon and self-importance, and attempting to build our own kingdoms.

We ask for forgiveness for pride, self-righteousness, treating others with contempt, and failing to recognize Your goodness as the source of our blessings. Forgive us for misleading others, attempting to seize what belonged to others, and taking unlawful advantage.

We repent for making covenants with spirits of poverty, death, and idolatry. Forgive us for trying to set up idols of self-importance in our hearts. We ask for forgiveness for character assassination, envy, covetousness, and judgment against others.

Forgive us for pursuing selfish ambitions, attempting to gain power over others, and using financial influence for harm. We ask for forgiveness for not serving You with joy and gladness in the abundance of everything.

We seek forgiveness for any areas of unbelief and reluctance and for any advantage gained through immorality or ungodly agreements. Father, we ask for the restoration of blessings that were taken from us through demonic contracts and covenants.

We ask that You revoke the enemy's legal grounds against us and dismiss all charges. We request angelic assistance to tear down evil altars with our family name, sealing them with the Blood of Jesus. We petition for the silencing of sacrifices offered through sin, character assassination, and slander. We ask for restoration and restitution according to Your laws. Let blessings stolen from us be returned sevenfold.

Grant us creative ideas for wealth creation and prophetic insight for economic wisdom. Forgive our limited mindsets and unbelief toward You. Help us overcome the spirits of mammon and false beliefs. Grant us financial freedom, generosity, and influence to advance Your Kingdom.

I also ask that Holy Spirit be called to give testimony and bear witness on my behalf, that I stand before you now forgiven and cleansed of all unrighteousness, according to 1 John 1v9. I ask the court to revoke the legal grounds that the enemy has used to indict me and enforce a curse. I also ask that all charges be dismissed. I petition the court to pass a favourable judgment on my behalf that annuls every demonic contract and old covenant. I petition the court for angelic assistance to tear down every evil altar with my family name on it. Let it be torn down now and our family name removed, in Jesus' Name. I petition the court on behalf of any innocent blood that was shed; let the sacrifice be silenced and let all demonic portals be closed. I ask that the blood of Jesus would be applied to all altars, demonic thrones and portals and seal them shut in Jesus' Name. I petition the court for restoration and restitution to come forth immediately out of the enemy's storehouse. According to Your law in Proverbs 6v31 the thief, when caught, must repay at no less than a 7- fold return and have to give up the substance of his house. Also, Lord, I ask that I be granted speedy recompense, retroactive compensation for the years the enemy has stolen from me, according to 2 Kings 8v3-6, Joel 2v23-27 and Luke 18v1-8. Let the wealth that was once in my generational line be restored, and let it come into my hands now. I ask You to bless us with creative ideas to create wealth and for prophetic insight to know how to move with wisdom in economic shifts. Father, I ask You to forgive my wrong mindsets and unbelief toward You. Help me to overcome limited mindsets connected to the spirit of mammon. I renounce all false gods, idols and wrong beliefs that limit Your ability to work through me. I ask for a divorce certificate from the spirit of mammon and any inability to prosper the Kingdom with a pure heart in Jesus' name.

Help us to be financially free, to be generous and joyful givers, to be persons You can trust with increase and prosperity, and to have the wealth that grants us influence for the sake of advancing the Kingdom of God.

Personal

I come before You today Lord God, and I repent for my personal sins. I repent for unbelief and where I have not trusted You enough. Where I have put my trust in man and the things of the world. Where I have not yoked with You and carried heavy burdens that have weighed me down in life and made me feel that life was not worth living. I repent and acknowledge this as wrong and going against Your loving nature and asking the potter what have You made? I repent for partnering time and time again with the Orphan spirit and the spirit of rejection and death. Forgive me Lord and set me free from these spirits once and for all so that I can be all You created me to be.

Parts - I ask Lord that if any parts of me have formed because of my past trauma and experiences, they would be healed and delivered and set free and that You would bring the word of the gospel to them in the spirit and that they may be saved, healed, delivered and integrated so that wholeness can come to me in Jesus name.

Captive parts - I ask that all my captive parts will be retrieved as mentioned above linked to every area of forgiveness and repentance and renunciation and confession today.

Sexual immorality - I ask for Your forgiveness Lord where I have sinned against my own body and against You through sexual immortality. Forgive me for the sins of masturbation, use of sex objects, pornography, homosexuality and any other perversion I have taken part in. Forgive me for incestuous relationships. I repent for where I knowingly did what was wrong in rebellion and disobedience. Forgive me for perpetuating our bloodline iniquities and sins and I ask where I passed this on through soul ties with (spouse, children,) that this will be cut off from their lives too. I ask for a divorce certificate from any spirit wives or husbands that were assigned to me or married to me in the spirit because of any of these practices. I asked that they will be burned up by Your holy fire never to access me or my subconscious or dreams or intimacy with my wife again.

Witchcraft - Forgive me Lord for my partnership with any form of witchcraft. Forgive me for where I partook and have partaken of medications or OTC meds to cope or not be present. I cut all soul, body and spirit ties with all medications I have taken that have kept me in denial, dependent or in bondage. I ask that I be set free from that curse of sin and death. I choose to no longer partner with the spirit of occult or witchcraft. I choose life and blessing, not death and cursing. I ask now that by the sword of the Spirit, I be severed from these things and I ask You to bear witness to this Lord and cut me free now in the spirit from witchcraft and witchcraft power. I repent for every word I have spoken that has brought a curse on others because of that power that was still operating. I ask in the name of Jesus that every word I have spoken over anyone living or dead that carries witchcraft power, will fall to the ground now in Jesus' name and be burned up with holy fire and that all cause and effect of those words will be cancelled out in Jesus name. Where those words have brought cursing, I ask that every curse will be turned into a blessing Jesus' name. Where I have spoken curses over myself, I also declare today every curse will fall to the ground and be burned up and that it will be reversed into a blessing in Jesus' name.

Jezebel Network - I repent Lord where I have partnered in any way with the Jezebel network. Forgive me where I have been passive but also domineering, manipulating and controlling. Forgive me Lord where I have used emotions to get my way or manipulation to get what I want or to make other people feel bad. Forgive me where I have not submitted to authority because of this spirit and where I have not walked fully in my calling because of this spirit. I ask in the name of Jesus for a divorce certificate from this network and every demon attached to it now in the name of Jesus and that I will no longer be in submission to this network. I

choose to submit myself to You Jesus and Your authority and I ask that You will show me when I step out of line or are not in proper submission and when I am being passive.

Forgive - I forgive those in my life that have hurt me, made me feel 'less than', made me feel unappreciated, unapproved of, rejected and neglected. I forgive my spouse, parents, parents-in-law, my siblings, my children, my friends and other family members who have contributed to my hurt or pain in any way. Forgive me for putting too much faith in man and too little faith in You. You are our only healer and the restorer of the breach. I cut all ungodly soul, body, memory ties, spirit ties and ancestral ties and trauma bonds with each of these persons. I ask today Lord for a divorce certificate from all the spirits that have attached to me because of hurt, trauma, rejection and any wrong or perceived wrong done. I ask to be free from them so I can worship You in spirit and in truth and love others as You love me. I ask for healing and restoration to me on every level, spirit soul and body. Help me by Your Spirit Lord to always walk in love and forgiveness so that I may be quick to repent as Your word says.

Motivation - Forgive me when I have become demotivated and passive Lord and not been about my Father's work. I repent for self-pity and where it has rendered me ineffective for You and the Kingdom. Forgive me where I have given in to the lies of the enemy about me and my abilities and where this has robbed my motivation and my passion. I ask for a divorce certificate today from every spirit that has tried to keep me passive and stuck and rendered me powerless. From every spirit that has been working together to keep me demotivated. Set me free Lord to be who You created me to be and to fulfil that which You have set out for me (John 17v4).

Steadfastness - Forgive me Lord where I have not stayed steadfast in You and stayed true to Your word and what it says about me. Forgive me for believing the lies of the enemy and for growing weary in doing good. I ask for a divorce certificate today from every spirit that has been working together to keep me feeling oppressed, depressed and anxious, that has kept me from Your truth and Your promises and has kept me from relying on You and has brought doubt, fear and despair. Set me free today on every level, spirit, soul and body I ask in Jesus' name. I ask that by Your Spirit I will grow strong again and be steadfast in You who are my Rock and my Fortress in Whom I can trust!!!

Marriage

Lord, I agree with Your word that marriage is a holy institution and I repent where I have partnered with my generational iniquities and sins through sexual immorality in my marriage relationship. Forgive me Lord for the times that I was not a faithful spouse and I repent for what I have done in my marriage that did not please You, I do not know how many after-effects are still lingering in the spirit that the enemy is using against me, but You know Lord. So I ask today that You will reveal and show and light those places so the curses can be lifted so that I can experience freedom and joy in my marriage with Marriage was made for partnership, for help and support, for godly offspring but also to honour You Lord and for our enjoyment. I repent for where I have been dissatisfied in my marriage and partnered with disappointment and despair instead of giving all to You. I know that I have not honoured this institution because of my behaviours in the marriage. I repent of these sins Lord and I ask that the curses and judgements that came against me will be cancelled out through Your love and mercy toward me and Your blood which was shed for me. I ask that every cause and effect of what I have done that has affected my spouse and our children will also be cancelled out as I cover the points below.

I ask that every familiar spirit that was attached to me and because of any bloodlines that we made agreements with through sex or relationships, will be unassigned from us today and sent to the courts of heaven for judgement and they will not be reassigned but sent to where You Lord Jesus want to send them. I ask for a blossoming sexual fulfilment in our marriage that is natural and where intimacy has been replaced by just getting satisfied and by just the act, it will return to the focus of intimacy being on loving each other as Christ loved the church. I ask in Jesus' name for healing and full restoration in our marriage where all the damage was done through the past and that this marriage in the spirit and in the courts will be as new without defilement and harassment in Jesus' name. And I ask that every evil spirit that has been working together to stop this marriage from being how it should be in You Jesus, will be rounded up today, bound together with a 3-strand cord and taken for their judgement today by You Jesus.

Affairs - Forgive me for all the people or collateral damage from any affairs and relationships Lord. Our children, our family, or other family and friends that were affected, hurt, betrayed or any other perpetration through me against them. Forgive me for disloyalty toward friends and for lies and deception and hypocrisy. I ask that every evil spirit that has been working together to keep me in captivity because of my sexual deviancies, deceptions, lies, hypocrisy and any other perpetration, will be rounded up today, bound together with a 3 strand cord and taken for their judgement today by You Jesus and they will not be reassigned but sent back to the pit of hell where they belong. I choose to be free today from the past and all that holds me there. I let go of self-condemnation and guilt and shame and ask to be free from the spirits that keep me in that place of captivity. They will also be judged today and not be reassigned in Jesus' name.

Idolatry - forgive me Lord for any form of idolatry that took root in my life. Self-idolatry, wife, friends, children, money, church and family, work and ministry. I repent for idol worship Lord of any form and ask that You will cleanse me from this sin as Your word says we should have no other god before You. I repent where I have put people and things on the throne of my heart instead of You. Forgive me Lord and I ask today that by the sword of the Spirit, You would sever me Lord from each and every attachment and demonic entity keeping me bound in any place or realm or region of captivity because of idolatry and that every altar will be destroyed as mentioned above. Cleanse me Lord I ask today in Jesus' name.

Soul ties - I ask today Lord that if there are any soul ties, body ties, memory ties, spirit ties, ancestral ties and trauma bonds lingering that need to be cut with people, that I have not dealt with or forgotten about or that the enemy has kept hidden, I ask that those ties will be cut today and severed from me by the sword of Your Spirit and that I will be released from any bondage attached to that.

Captive parts- I ask that all captive parts be released as requested above.

Spirit spouses - and as I have already asked and if there is still anything hidden, I ask You will shine Your light on it and deal with it Lord, but that every spirit spouse in my life and my spouse's life will be destroyed today by fire in the name of Jesus never to harass us again. I declare that we are divorced from them now in the name of Jesus. We are covenanted to You Lord as our Father and as our Husband and Maker. Judge them Lord for wanting to keep us from You and from each other.

Children

I bring our children before You Lord. I want our children free Lord from anything that they are carrying and our grandchildren to come. Forgive me Lord where I have hurt them, made them feel rejected, not loved them as You required me, for being impatient and judgemental,

criticising or not exhorting them. Forgive me for any influence I have had on their life that has had a negative impact. I repent for myself and I repent on behalf of my spouse for anything he/she has done to make them feel rejected, 'less than' or that they have to work for approval. Forgive us both for emotional abandonment at times and for not supporting them as they needed it. Forgive us Lord for anything we have done to them, knowingly or unknowingly to harm them or hurt them in any way. I pray that only blessings will follow them all the days of their lives and that their marriages and children will be blessed and fruitful. I ask that every false verdict that has come down on their lives because of us or our family lines, will be overturned today and they will be free from all cause and effect in every area of their lives. Where they need healing I ask You will bring healing, where they need a miracle, I ask that You will bring a miracle, whatever they need You will supply bountifully to them according to Your riches in glory as it is in Your word in Ephesians 3v21.

I cut all ungodly soul, body, memory, spirit, ancestral ties and trauma bonds with our children and I ask that anything and any spirit that is working together to hinder our relationship with each other will be captured today and taken for judgement for a failed assignment and they will not be reassigned but sent to where You choose to send them for judgement. I ask that any place that our children have been taken captive spirit, soul or body through our actions or their own, will be raided and that those parts will be brought out for healing as requested above for captive parts.

Family

Forgive me Lord where I have been angry with my parents and in-laws for things from the past or decisions they have made. Forgive me for when I have disrespected them or dishonoured them in any way or spoken words against them in judgement. Forgive me if any of my words have come down as curses on them or self-fulfilling prophecies. I ask Lord that those curses will be reversed into blessings and that there will be no more cause and effect on their life or mine. I ask where curses have come upon me because of my actions or attitudes towards them, that they will fall to the ground and will be reversed into blessings based on my repentance today. I ask that You would bless my family. It is not my place to judge anyone. I ask today that You will be the judge Lord and that You will judge and bring to light what needs to come into the light, especially regarding my parents. I ask today that You would do as You will Lord and forgive me for any interference from my side.

I cut all ungodly soul, body, memory, spirit, ancestral ties and trauma bonds with my and spouse's family members today. We give back to them what belongs to them and take back what belongs to us and wash it in the blood of Jesus. I pray the same for every place in this petition where ties have been broken. And we put the cross of Jesus between ourselves and them and nail to the cross every curse and reverse every curse into a blessing.

Friends

I bring all my friends before You Lord past and present that had any influence in my life in any way for evil or that have hurt me in any way or rejected me. I forgive them Lord and ask that You would bless them and their families. Forgive me Lord where I have influenced their lives in any way for evil and not been a good witness to them and encouraged them to do ungodly things. Where I have not always been a good friend to them or a loyal friend. I cut all ungodly soul, body, memory, spirit, ancestral ties and trauma bonds with these people today. I give back to them what belongs to them and take back what belongs to us and wash it in the blood of Jesus and I put the cross of Jesus between myself and them and nail to the cross every hurt

and reverse every curse into a blessing. I ask that only the good and the godly be retained from these friendships.

Body

I repent today for any agreement with the spirit of infirmity and sickness or disease that has been able to take hold of my joints and bones. I repent for where I have spoken death over myself by my own self-rejection and hatred. Forgive me Lord for where I have had an idolatrous relationship with myself and my body, forgive me for not taking care of my body as I should and being hard on myself. Forgive me for not loving myself more and entering into Your rest so my body can rest. Forgive me where I have caused my own ageing through stress, worrying and overworking and not allowing myself to rest, for having a skewed picture of what rest is. I ask today Lord that every evil spirit that is working together to keep my body in bondage or captivity, to keep sickness in my bones and joy out of my heart will be bound in Jesus' name. I ask that every evil spirit causing me to hate myself, reject myself, mess with my mind and my thoughts, cause pre-mature ageing, worry and stress and anxiety and fear - that all of them and the familiar spirits that are working together will be bound up today by that 3-strand cord and taken for judgement today for failed assignment, they will not be reassigned but sent for Your judgement. I ask today that the Joy of the Lord will be my strength and laughter will be my medicine. I choose life and blessing today and no more curses will be able to have a place in my body through my past actions or through the bloodline. Thank You that in Isaiah 53 Your word says that by Your stripes we are healed.

Sleep

I repent Lord where I have in any way partnered with anything that has been able to rob me of my sleep. I come against every spirit of insomnia, torment, dream torment, and sleep disturbance in the name of Jesus. I ask that every evil spirit and every familiar spirit will be bound today and taken for judgement as You see fit Lord. I ask that if any part of me has been taken captive for night torment, it will be rescued as requested above. I declare that Your word says in Psalm 127v2 that "It is vain for you to rise up early, To sit up late, To eat the bread of sorrows; For so He gives His beloved sleep". And Psalm 4v8 says "In peace I will lie down and sleep, for you alone, Lord, make me dwell in safety."

Objects, jewellery, stones

I ask that if there are any objects, jewellery, stones or anything in my home that is carrying a curse or that is in storage, I ask today that by the blood of Jesus, it will be cleansed of all defilement and every curse be made null and void and if You show it to me I will deal with it as You lead. But for now, I ask that every object be sanctified and cleansed such as the gifts from others, that You will anoint it with Your Holy oil and make it just an object with nothing attached to it I ask in Jesus name. I ask that every evil spirit and familiar spirit attached to any object we have in our home or in storage will be unassigned in Jesus' name and be bound and taken for judgement. They will no longer have a hiding place or holding place on those objects in Jesus name and every curse will be reversed into a blessing. Anything we have held onto in ignorance, forgive us Lord and give us grace until those things are rooted out and dealt with as You lead in Jesus' name I ask.

Material read

I repent Lord for every book or piece of material I have read that did not bring glory to You. Forgive me where I have opened doors and have not shut them. I ask that You will shine Your

light in those places and shut those doors and portals permanently by the blood of Jesus. If any evil spirit or familiar spirit was assigned to me or my family because of that, I ask that they will be found and apprehended in the spirit today and take for judgement in the court of heaven for their deeds on our lives.

Counterfeit revelations, places and dimensions

Forgive me Lord where I have given place to any counterfeit revelations in my life, or come into agreement with places and dimensions that I thought were from You. I repent for any partnership contrary to You and Your word. I ask that those places will be shut down now and destroyed in Jesus' name and that I will not be able to access them again. I ask that every counterfeit revelation and its cause and effect on my life and on the life of others will be cancelled today in Jesus' name. Forgive me where I have opened interdimensional doors and have not shut them. I ask that You will shine Your light in those places and shut those doors and portals permanently by the blood of Jesus. If any evil spirit or familiar spirit was assigned to me or my family or those I shared with because of that, I ask that they will be found and apprehended in the spirit today and taken for judgement in the court of heaven for their deeds in our lives.

I ask that every curse will be reversed into a blessing in Jesus' name. Fine-tune my spirit man from this day Lord to know the truth and I ask that Your Spirit of truth will come so I can be free in Jesus' name.

I ask Father God that anything that has not been covered in this petition that I am unaware of, will be covered by the Blood of Jesus as a Voice on my behalf and by Jesus as my Advocate. I ask that anything that I have left out or left undone, will be done in Jesus' name. I ask that any language I have not used properly will be translated into court language so that what needs to be done will be done in Jesus' name. I ask today that my mind will be renewed and that new pathways will start to form where there has been defilement. I ask for healing and restoration to take place in my brain, and in my mind, memory, will and emotions Lord. I ask for divine editing to take place and divine exchanges in the spirit today. I ask for the oil of joy and gladness to replace mourning, for beauty for ashes, life for death and blessing for cursing. I thank You Jesus Christ my Saviour for our freedom today and the freedom of our family and every area that pertains to our life, ministry, marriage, children, finances, businesses, jobs and everything under our stewardship and ownership. That today is the day of redemption where the ransomed of the Lord are returned, where they have not been bought for money but by the precious blood of Jesus.

Psalm 107v2, "Let the redeemed of the Lord say so, whom He has redeemed from the hand of the enemy..." Thank you that this day I am redeemed from the hand of the enemy and so is my family.

Ephesians 1v7, "In Him we have redemption through His blood, the forgiveness of sins, according to the riches of His grace." I ask in light of my confession and repentance that I will be forgiven, that I am forgiven and my family through Your precious blood.

Psalm 72v14, "He will redeem their life from oppression and violence, and precious shall be their blood in His sight". Thank You that today we are redeemed from the oppression and violence of the enemy and it is returned on his head today and our blood which has been shed is precious to You Lord, even our blood shed in the spirit.

Isaiah 35v10 says "And the ransomed of the LORD shall return, and come to Zion with songs and everlasting joy on their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away". Thank You from this day this shall be my portion and that of my family.

Isaiah 52v2-3 “Shake off your dust! Rise up and sit on your throne, O Jerusalem. Remove the chains from your neck, O captive Daughter of Zion. For this is what the LORD says: “You were sold for nothing, and without money, you will be redeemed.” Thank You that this day the chains and yoke have been removed from my neck and that of my family and we are free and we shake off the dust of the past in Jesus’ name.

Isaiah 62v12 “And they will be called the Holy People, the Redeemed of The LORD; and you will be called Sought Out, A City Not Forsaken”. Thank You that we are not forsaken Lord but You have called us Your people.

Isaiah 1v27 “Zion will be redeemed with justice, her repentant ones with righteousness”. Thank You Lord this day that You will meet out justice on our behalf, on my behalf and this will now be a new day because of repentance and that we are redeemed and we are righteous in You.

Thank You, Father God and Jesus My Saviour and Holy Spirit my Comforter. I bring this in the name of Jesus and ask that it will be done on earth as it is in heaven. Your will Lord. Let this be a new day for me and for my family in the name of Jesus I ask. Your word says that whatever we ask the Father in Your name Jesus, it shall be done for us as in John 16v23.

Amen!!!
