

## **Prayer for Cleansing the Contamination on the Living Stones**

Lord Jesus, I renounce and repent on behalf my generational line back to before the beginning of time and myself for:

- Partnering with familiar spirits
- Refusing to invite in, require interest and profit from or enslave family[1]
- Agreeing with false messengers; listening and accepting lie(s) that were expressed as truth
- Contaminating, selling, or in any way compromising the anointing of God Allowing fear to overtake us
- Approving of and allowing false prophets and ungodly priests, thus causing astonishing and horrible things to happen in the land[2]
- Shedding blood and destroying lives to get dishonest gain like wolves tearing their prey[3]
- Entering into ungodly unity in religious churches
- Consulting the dead through spiritualists and other occult activities in order to transfer things from the kingdom of God to the kingdom of darkness
- Using the power of the harlot to gain wealth, fame and luxury, in an attempt to imitate the dunamis power of God
- Not trusting in the Lord
- Offering sacrifices that are corrupted and acceptable to the enemy instead of being built up like living stones into a spiritual house and offering spiritual sacrifices acceptable to God[4]
- Putting our offerings on false altars instead of listening to You for direction regarding our funds and our giving
- Giving out of obligation, or with the intent of receiving financial blessings in return
- Calling upon the stars and using astrology for guidance and direction
- Building false foundations[5]
- Not standing up and saying no during the beginning stages when defilement was recognized; being complacent and not standing for righteousness either individually or as a culture
- Allowing and/or producing and distributing products of defilement for export from our land to other parts of the world
- Believing the lie that I don't matter and I'm not important, and not standing up in the face in unrighteousness
- The birthing of abortion[6]

- Maintaining the status quo, and praising wealth when the foundation may be corrupt Not speaking out against evil that is happening around us
- Accepting the counterfeit and rejecting the truth
- Choosing a darkened understanding that is separated from the life of God, and giving ourselves over to sensuality and greed[7]
- Practicing manipulation and control [witchcraft] over governing boards of churches Not taking responsibility for spiritual development, trusting false spiritual leaders and not being a Berean
- Coming against each other instead of coming into unity
- Believing and perpetuating the lie that God does evil, and He causes or permits bad things to happen; blaming God
- Doing what is right in our own eyes, and thinking we can do good without His power and Spirit
- Anti-Semitism and all forms of racism
- Becoming desensitized and dumbed down to God's truth
- Relinquishing our full, God-given authority as men and women who co-rule together with Christ
- Creating communities within our churches that push toward image instead of authenticity
- Domination, intimidation and manipulation of women and men, which is witchcraft; and sexually taking advantage of anyone
- Despising our prophetic voice, and hindering the flow of God's Spirit
- Calling upon and making vows to gods and goddesses in exchange for power and/or provision
- Giving lip service to Holy Spirit while not fully believing, and being guilty of slackness in the work of the Lord[8]
- Pointing fingers at one another, thus joining with the accuser of the brethren[9]  
Conceiving and birthing righteous things in the wrong season, and birthing unrighteous things in any season
- Valuing comfort over calling
- Perpetuating disunity between the individual and God-given strengths of men and women
- All idolatry and adultery
- The sins of the harlot[10]
- The sevenabominations:haughty eyes, lying tongues, hands that shed innocent blood, hearts that devise wicked plans, feet that run to evil, false witnesses who lie, and sowing discord[11]
- Not obeying God's
- commandments and statutes, and changing the form and design of food sources and vegetation in our land
- Not standing up for righteousness in our schools
- Incest, perversion, pornography and all spiritual defilement Seeking the help of physicians over seeking God's help[12]

- Establishing financial foundations based on love of money, greed, self-promotion and establishing an elite class
- Not believing and practicing the truth that what takes place spiritually in heavenly places really does come on earth
- Corrupting the heavenly places, which is then mirrored on earth in the physical, causing pain and suffering to God's people
- Partnering with death
- Dedications of products to false gods, and setting up perverted stones and foundations
- Giving up our influence over the seven mountains
- Not being involved in the election of a righteous government that supports the true foundation of the true nature of creation law
- Not standing up in government as righteous men and women to take our place

Father, I now declare:

- I will seek to speak the truth in love at all times
- The kingship of the Lord Jesus Christ, and that the one way to the Father is through Yeshua
- I will love the Lord my God with all my heart and love one another as myself.
- I am no longer a stranger and alien but am a fellow citizen with the saints and members of the household of God, built on the foundation of the apostles and prophets, Christ Jesus himself being the cornerstone, in whom the whole structure being joined together, grows into a holy temple in the Lord. In Him I am also being built together into a dwelling place for God by the Spirit<sup>[13]</sup>
- I re-establish Christ as my foundation and chief cornerstone
- I see and ask for the ancient paths and choose to walk in them<sup>[14]</sup>
- I will support and teach the true foundation of a person's life rather than a false foundation in our educational system
- Unity over myself, and corporately over the Body of Christ, regarding Your original intent for our seed and food sources
- Jesus Christ is Lord over businesses and food
- Christian men and women will step into who God created us to be and walk in our identity on earth as we are in the heavens.
- God is good and His loving-kindness endures forever
- Jesus is King over agriculture, food and medicine, and I will be a good steward of those, and take up the mandate God has given me
- The mountain of the Lord's temple will be established as chief among the mountains; it will be raised above the hills and people will stream to it<sup>[15]</sup> *"In God We Trust"* is my pledge
- A mantle of justice and righteousness is upon our land
- Our water is purified
- Whatever flows out of the land is holy and set apart for God

- The Lord has rendered a judgment in favour of the saints, and the time has arrived for us to possess the kingdom[[16](#)]
- Righteousness and justice are the foundation of Your throne; fire goes before You and burns up Your adversaries all around[[17](#)]

Lord, will You please:

- Remove all contamination of familiar spirits off of the living stones Establish yourself anew in my family line, in me, and in our lands
- Remove all contamination off of the food that came in because of wrong foundations in the food industry, businesses and universities
- Grant forgiveness for all of these sins, and remove altars and false stones that have been built
- Purify the multidimensional foundation of your creation that is tied to me and my generational line
- Restore Your truth in every aspect of my life where it has been compromised
