

Prayer to Break Free From the Worship of Created Light

On behalf of myself and my entire family generational line, I repent for and renounce the belief systems, religions, exercise programs, martial arts and philosophies of the world that have led us to believe that the light God decreed into existence on the first day of creation was and is a god.

On behalf of every ancestor in my family line, I repent for and renounce every false belief system, philosophy and religion that teaches created or universal light is to be worshipped instead of the Light of the world.

Forgive us, Father, for trying to gain wisdom by worshipping created light, deifying the light, and slandering the glorious ones.

Lord, on behalf of my entire family line I acknowledge that the vibrations and light You spoke into existence in Genesis 1:3 was the doxai, referred to in Scripture as the glorious ones, celestial beings or dignitaries^[1]. Forgive us, Lord, for worshipping Your created light instead of You, the Creator. Forgive us, Holy Spirit, for not only slandering and defiling the glorious ones through the worship of the light but for contaminating them as well through idolatry and unrighteous sexual practices.

Father, on behalf of all of my ancestors in my respective family lines, I repent for and renounce Gnosticism, New Age practices like the use of chakras, Reiki, Yoga, Transcendental Meditation, belief in the Yin (light) and the Yang (dark), Feng Sui, the Chi, the Gi, the Ki, Amida Buddha, Pure Land Buddhism, Shingon Buddhism, and participating in lantern ceremonies to honour and communicate with my ancestors.

Lord, please cleanse the heavenly places, including the grid, height, width, length and depth, with Your shed blood; remove all contamination and defilement off of the glorious ones that have been empowered by worshipping the created light in my family line. And finally, Lord, please release the righteous, glorious ones so that the lava of Your love for the Lost may be poured out on our land.
