

Prayer for narcissistic, controlling, wounded parts

We submit all records to the courts of heaven that are related to the functions of our humanity being addressed, injustice related to our programming and trauma from the kingdom of darkness and crimes related to our involvement with evil entities and components. We call for these records to be weighed on the scales of justice and demand judgment. We command that the related evil entities and non-human entities, evil components, evil buildings, evil timelines, evil agendas, evil grids and evil realms are disbanded and punished to the full extent that the manifestation of our justice and evidence submitted allows for in the name of Jesus. We now speak that all the facilities where our parts performed functions and jobs we have renounced are now targeted and rolled up as scrolls and delivered to the Father for judgment in all time, space, dimensions, and realities.

We announce our complete and total eternal separation from the jobs we have renounced to all creation, giving glory to Jesus Christ and committing the parts of our humanity that are being redeemed into faithful service to Jesus Christ. We speak agreement with their reception of any temporal jobs that Jesus would issue to those parts at this time, and we call for them to be washed with living water and soap of hyssop and be given new garments of righteousness in their favourite colours, given living water to drink and bread of life to eat. I declare that these parts are being subordinated under the frequencies of light coming through the breastplate of Jesus Christ, who we claim as our High Priest, and we surrender these parts to eat at the Lord's table and release them to be taken wherever appropriate. Whether it be a rehab site, hospital centre, training facility or job site, where Jesus sees fit to send them and seal this work in all infinities and infinities beyond and to eternities and eternities and beyond, in time wheels that exist and time wheels that once existed and could not have existed and everything in-between in all creation and all multiverses. In Jesus' name.
