

## **Cleaning Up Your Land - Time, Land, Community, Birthright and Offices**

### **Prayer:**

**This prayer is transcribed as I prayed it over the group on the webinar Cleaning Up Your Land - Part 2. You can adapt it to first person or use it as it is to pray over others.**

### **Court Processes**

This process can be used at any time that you need to bring something into the courts or engage the Throne room of Grace and Mercy (Mercy court).  
Have communion ready to take after the process.

*Colossians 2v14 "Having wiped out the handwriting of requirements that was against us, which was contrary to us. And He has taken it out of the way, having nailed it to the cross". KJV*

*"He erased the certificate of debt, with its obligations, that was against us and opposed to us, and has taken it out of the way by nailing it to the cross". NAS*

*"Having canceled out the certificate of debt consisting of legal demands [which were in force] against us and which were hostile to us. And this certificate He has set aside and completely removed by nailing it to the cross". AMP*

As I pray, I want you to agree with me. I may pray on your behalf or include myself. Either way, come into agreement and see what is happening in the spirit and receive what the Lord is showing you as we pray through these areas.

### **In General:**

We come before You, God, this day, Our Father and Maker. We put you on Jesus as we should every day, according to Romans 13v14, so that we don't fulfil the lusts of the flesh. We partner with You, Jesus as our armour — the belt of truth, the breastplate of righteousness, the sandals of peace to spread Your word; we take up the shield of faith to quench the fiery arrows of the enemy; we put on the helmet of salvation and the crown of life that is ours, we put on the cloak of zeal and the garments of vengeance that is Yours and we take up our sword which is your word, which is according to Hebrews 4v12 living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

Father God, we request to enter the Court of Heaven in the name of Jesus. I enter as an advocate in partnership with You, Jesus, on behalf of the lives of these precious ones and as a voice in their life. We bring their maps of their territory and present them as evidence.

We are asking for a reversal and an overturning of all false verdicts from the Courts of Hell for them regarding everything counterfeit and corrupt instituted by the powers of darkness through wicked means in their generations and their lives.

We request the overturning of this by the blood of Jesus and the verdict rendered in the Courts of Heaven.

I call our angels near to assist us in this process and any other angels that have been assigned to take care of our territory in the spirit today.

Right now, I call each person's spirit forward, step into the realms of heaven - I want you just to agree with this process and speak it in your being as I lead you through the process:

I invite your body and soul to take a seat. We call the spirit forward. I bless your body, I bless your soul, and I bless your spirit. I bless your spirit to come out of hiding. Spirit, your Father designed your spirit, soul, and body, and he ordains and oversees their alignment. I speak to your slumbering spirit to wake up. It is safe, it is time, it is right to look outward and upward into the face of your Father. Hear him say that you are accepted, affirmed, capable, and beloved in him. He likes the way he made you. He is not intimidated by areas in you that are lacking. He is perfectly sure of His ability to heal those areas, restore broken places, and finish His parenting. I bless you in the name of the One who has given you great and precious promises. I bless you in the name of Jehovah-Tsidkenu, your righteousness.

I bless you with knowing the principles of God's Word. I bless you with new and different ways to weave His righteous principles together into your life. I bless you with no day of your life being wasted. I bless you with people and circumstances that God brings into your life and your experiences contributing to the goal of your being an incarnation of the Lord, your righteousness. I bless you with not just the absence of sin but living from Christ's righteousness and skill and wisdom of being life-giving from God's principles.

*As you see or sense your spirit coming forward, I want you to step into the heavenly realms. Remember, we have free access through the new covenant. It will look different for each of you. Try to engage - it can be through seeing, sensing or knowing. Begin to recognise that while you are performing a court case, you are in heavenly places as well. The more you practice this, the more you will become adept at it. Ephesians 1v3 says we have access to all spiritual blessings in heavenly places.*

*You will begin to be able to discern with greater capacity the ability to live from two realms.*

We resist frustration now and any lying spirits that will say nothing is happening and that the courts of heaven and the processes are impossible. We agree with the Word of God as in Hebrews 12 that we have come to Mount Zion; we are already there; this is a government, a place of rulership.

I thank You, Lord, for the cloud of witnesses that bear testimony on our behalf of those who went before us either of our family line or of the faith that they will step forward as witnesses to give testimony. Thank You, righteous Judge, that You judge righteously! Thank You that Your ears are open to our petitions and our case today. We bring our evidence before You of all we have done to follow Your ways and cleanse our lives. It all matters on our behalf. And we ask that it will speak for us also. We bring it all to remembrance in the courts today.

### **Timeline cleansing:**

We bring our timelines before You today. So we confess our sins, we confess our forefather sins and we repent. We invoke Your example, Jesus. Thank You for interceding for us. We bring the life of Christ to bear against what has allowed our time to be defiled.

We repent, Lord, where we have not operated in gratefulness on the timeline You have given us or where we have been ignorant of the time You have given and been ignorant of Satan's devices in causing delays and distractions from the purposes of God on our timeline. We repent where we have not sought revelation about these things so that we might bring them to You quickly. We repent where we have put comfort before calling and disrupted our own timelines when we were meant to build Your Kingdom.

We confess it as a sin of ours and our bloodlines in the name of Jesus and ask that You would cover this with the blood of Your Son, Jesus.

We request the overturning and cancellation of any and all counterfeit timelines and the ownership of those timelines. We ask that the ownership of these timelines of those here today and the

design of the timeline be given to the Lord Jesus Christ. We ask that where trauma has come in to disrupt the timeline and throw them into another timeline dimension, that every part that has been taken captive in those places will be rescued by the angels of God and healed and restored to their spirit, soul and body. We bind every demonic gatekeeper and guard on their timelines in every age, timeline, realm and dimension. We ask that nothing will be kept hidden, but by the mighty light of God, everything will be exposed for healing, restoration and redemption today.

We ask for the complete destruction by fire of every evil, corrupt timeline and counterfeit evil timelines. We request the verdict will call upon a resetting of their timeline back into the design of the Father's time for those here as written by the Word of God before the foundation of the earth and as written in the Books of Heaven and as linked to their destiny as Your children.

We ask that every time loop that they are stuck in will be destroyed and that they will be propelled out by Your power and excel in their destiny. We ask for restitution, as these evil timelines are destroyed, and we include in this any ungodly trades that took place in their bloodline or in their own lives that have affected them or their timeline.

We request a return from the moment the time was diverted through trauma or trades until now, which is the moment of revelation of what the thief has stolen, be returned to them, seven-fold in their body, in their soul and in their spirit, health returned fully seven-fold, trauma healed, and anything removed from the soul — that despair be turned to gladness, that that hopelessness turns to faith achieved, that isolation turn to community connection; that all the God-given ability to operate from revelation that results in the work of their hands and the deeds of the mouth that these be returned seven-fold. I request these in the name of Jesus.

We request an alignment in these here today, spirit, soul, and body realms to supernaturally be made whole, to supernaturally be aligned so that the perfection of body healing, soul trauma and spirit understanding would be returned to them in an instant. We request this in Jesus' name.

### **Land Cleansing:**

We ask today that where time has been tied into their land, that what we have requested so far be transposed to the land. We ask that their land be cleansed with tsunamis of living water and the blood of Jesus. We ask that the angels go in and rescue every captive part of them tied to any lands, generationally or present, where any trauma or trades took place. We repent on behalf of ourselves and our ancestors for any defilement of our lands; we repent of idolatry, sexual immorality and bloodshed. We renounce any and all covenants that took place by oath, agreement or rituals and sacrifices. We ask where those were imposed on us without our consent that they be overturned In Jesus' name. We ask that the blood of Jesus that speaks on our behalf will be the handwriting that crosses out the requirements put on us through these.

We ask that angels be sent in to clean up our lands in every country and territory that we represent and that our land will be watered from the throne room of God, living water, cleansing water and that our land be declared cleansed, sanctified and fruitful once again in Jesus name. We ask that every land title deed and every ownership deed now be returned to us, as they are uncovered by the angels where they have been kept in darkness. We deed all of that back to You, Jesus, and ask that You would annul every ungodly covenant and ungodly claim and stamp those deeds with Your blood, declaring it Yours and therefore sanctified.

### **Cleansing Community:**

We break the shackles and chains off of our time and land where this has been connected to community and our relationships that were meant for good but harmed us. Or where we have harmed others. We choose today to repent of our own role in bringing harm to others knowingly or unknowingly in relationships. We choose today to forgive those who have harmed us in some way through trauma or generationally. We loose it from our souls today, and we bind heaven to our spirit, soul and body today to bring healing to every brokenness, to every betrayal, to every hurting part of us. We ask that every captive part that has been shackled through hurt or pain or through our own actions that they will be set free today by our confession. We ask that wherever they have been tied up they too will be rescued in Jesus' name and be healed and cleansed and

be returned back to us in sanctification by the living water and the blood of Jesus. We ask for a disconnection from defiled time and land now so that every part of us can walk in freedom with no residue of the past all the way back to Adam, who was the first of us. We ask for a cleansing of our genetic information so that the same process will no longer transfer or play out in our minds or hearts, bodies or souls, but we will be loosed from that in Jesus' name.

### **Birthright Cleansing :**

We bring before You, Father God, the matter of birthright, and we stand on the word in 2 Timothy 1v9 that says *You have saved us and called us with a holy calling, not according to our works, but according to Your own purpose and grace which was given to us in Christ Jesus before time began.* And we request that every false verdict linked to our birthright that came upon our lives, all the way back to Adam, will be overturned and that our birthright be cleansed and returned to us. According to Isaiah 28, let it be for us that you will make justice the measuring line and righteousness the plumb line, and this will be brought to bear against any covenant with death and Sheol that were made on our behalf. We ask that these agreements will not stand, that they be annulled on our behalf and where ungodly evil marriages were consummated in the spirit for defiling, we ask that a divorce certificate be issued severing us spirit, soul and body from these entities and covenants. We ask that Your scourge, as in Isaiah 28, will overflow and pass through and trample on the enemy and bring terror to their hearts and to the camp of the enemy. We ask now that the angels that are on assignment on our behalf be sent out to do Your will now on earth as it is in heaven.

*Isaiah 28 v 15 - 19 Because you have said, "We have made a covenant with death, And with Sheol we are in agreement. When the overflowing scourge passes through, It will not come to us, For we have made lies our refuge, And under falsehood we have hidden ourselves." Therefore thus says the Lord God: "Behold, I lay in Zion a stone for a foundation, A tried stone, a precious cornerstone, a sure foundation; Whoever believes will not act hastily. Also I will make justice the measuring line, And righteousness the plummet; The hail will sweep away the refuge of lies, And the waters will overflow the hiding place. Your covenant with death will be annulled, And your agreement with Sheol will not stand; When the overflowing scourge passes through, Then you will be trampled down by it. As often as it goes out it will take you; For morning by morning it will pass over, And by day and by night; It will be a terror just to understand the report."*

I ask now, in Jesus' name, that each one's destiny scroll will be released to them this day. I ask that You, Lord, would show them what this looks like if they have not received it yet. I ask that wherever their destiny has been entangled with any evil and ungodly powers, that by the sword of the spirit, there will be a separation from these powers from their humanity, and they will be set free to live their destiny. We ask where any ungodly powers have been capitalising on their birthrights, that they will now feel Your scourge and that they will be trampled down for using what was not theirs. We cleanse with living water now the destiny of each person and we request a return of everything that belongs to them in Jesus Christ. We declare them a holy nation, a royal priesthood and that they are a chosen people in Christ who is our inheritance, and we are His. I declare release now for each one into their destiny through the finished work of the cross in the mighty power and name of Jesus.

### **Cleansing Offices:**

We request in the name of Jesus and with the blood of Jesus that every office we have occupied and every office we currently occupy be washed and cleansed. We repent for any partnership with the defilement in our offices, knowingly or unknowingly and put it under the blood of Jesus, that all defilement now and residue be washed away by living water and the blood of Jesus that speaks on our behalf so that our offices can be undefiled and uncorrupted. We ask that any loss we have suffered due to these defiled offices, there will be recompense and restitution for us today seven fold for what was stolen. Our relationships, marriages, our jobs, our ministries, our business, our finances etc. will be put back into a clean and fruitful land to bear good and abundant fruit. We ask that every defiled harvest that has gone out on our timeline be destroyed by fire so there is not any seed remaining. But that the ground would instead be prepared for a

great harvest. A divine exchange of what the locusts have eaten for what God has planted for us. We receive this exchange by faith in the name of Jesus, who is always faithful, Jehovah Shammah.

### **Closing:**

I ask Father God that You would personally speak to each one here today about all these areas and if there's anything that has not been covered today or dealt with that is specific to them, that You will show them and that they will deal with that in their time according to this process. But we pray that every area will be taken care of in Jesus' name.

We also request in closing that it be added that Satan's kingdom would suffer harm, that Satan's kingdom would suffer plunder, where angels would be released to plunder the enemy and bring back more than what was lost just as David did at Ziklag – he received back more than what was stolen because the enemy's camp was plundered. We request this in the name of Jesus.

I also request that the number of days they have been laid low because of all these things will be added to their length of days in Jesus' name. We also request in this plundering of Satan's kingdom, regarding those individuals who are deceived, who operate through the deception of darkness where their own lips have spoken or released witchcraft, that they would have a salvation and redemption encounter if they too are locked in their despair. Those human agents who have partnered with the enemy to bring this to pass. We are in agreement with the angel of the Lord visiting these and we add our faith to this, that sons of God will see the light. They will know His love and they will feel their freedom from shackles and chains. In Jesus' name.

We request now a shutting of all access points and portals into any area of our lives and territories, that flaming swords be placed at strategic points where there has been much power available to the enemy through our bloodlines, that there be no more access in Jesus name. We shut down now and cover all these entry points in Jesus' name and disconnect ourselves from all external forces drawing power and energy from us. We release the angels to evict every squatter, every illegal alien, and every illegal spirit that has now lost ground from our body, soul and spirit realm, DNA, and flesh realm. *Whatever else God puts in your spirit, speak it out.* We decree a scattering so that angels will scatter the enemy now in Jesus' name. No more access in the mighty name of Jesus, and we seal it with the blood of Jesus.

We declare today that the devil will no longer have free range but will encounter the voice of God in every situation and feel the opposition of heaven. Your children's children shall not be ashamed. They will not curse you for not doing anything. You will be the change agent to bring change to your generations. I prophesy protection over you and cover everything that has been transacted under the blood of Jesus. We don't receive any threats from the enemy or intimidation because there are more that are for us than there are against us. We call on the angel armies of heaven and the Lord of Hosts as our defense in the mighty name of Jesus!

I thank you, Father, that you hear these things and rule with justice and righteousness from Your Throne. I ask that in Your infinite mercy and grace and in Your wisdom, anything that was not dealt with today or covered by this prayer that should have been included will be covered by Jesus as our Intercessor and Advocate. Thank You for Your goodness and kindness. All praise and honour to You!!

*I encourage you to take communion and reflect on what was done today and do some releasing of your own. Spend time with God for any added revelation He wants to give you.*

***Start the process of cleansing each day so that we don't build up a residue or mountain again that can come around as a cycle in the future or for our generations. Stay tuned to the spirit in these areas now that you have this revelation.***
