

Prayer to Retrieve Scattered Parts

Father, please rescue me from every ungodly place to which I've been scattered in my lifetime and make me complete. Please retrieve every part of me that is entrapped in the ungodly width, length, depth and height, time, the stars, the zodiac, or the ungodly grid. Please disconnect me from all ungodly spiritual beings and return to me, through Your blood, every shattered part of my soul and spirit.

Lord, I desperately desire to have an undivided heart so that I may be united with myself, others, and with You. Lord, please release the sound of Your roar as the Lion of Judah to dislodge all scattered spirit and soul parts entrapped in every ungodly heavenly place.

Please send the chariots of fire and horsemen of Israel^[i] to retrieve every scattered part so they can be reunited and or integrated. I declare that I desire for Jesus to be at the centre of my life and all that I am. Please unite my scattered parts with your centripetal force^[ii].

In Jesus' name, I now give each scattered part permission to feel and express all the emotions bottled up inside of me.

[i] 2 Kings 2:12

[ii] Centripetal force – a force that acts on a body moving in a circular path and is directed toward the center around which the body is moving.
