

## **Prayer to Release the Joyful Sound**

I renounce and repent on behalf of myself and my family line back to before the beginning of time for:

- Listening to and aligning with ungodly sounds
- Coming into agreement with dissonance and disunity in any way
- Buying into or accepting the enemy's corrupted version of the seven Spirits of God or the seven Eyes of the Lord
- Honoring God with lips while our hearts were far from Him
- Any participation in ungodly worship through music, rhythms or dance Listening to ungodly worship
- All use of music as part of ungodly sacrifices

Father, Son and Holy Spirit, I acknowledge that You are the Master Conductor and that You determine the time signature of the sound movements of my life and the composition of the notes of my life.

Lord please:

- Remove any contamination off the righteous seven eyes as they manifest through my life so that the sound of the Lord may go through the ends of the earth.
- Recover my birthright of righteous light sound that has been stolen and trapped in ungodly stars, false sounds, frequencies and cycles.
- Retune, realign, and/or replace the sounds and vibrations of any of the three chords connected to parts of my body, mind, and soul which are out of tune
- Remove all ungodly 'star sounds' in my body, soul and spirit, and correct all ungodly dissonance so that my body, soul and spirit now emit the correct sounds that are to the praise of Your Glory.
- Release palmoni[1] to set the correct vibrations in my body, soul and spirit back to Your original created design
- Cause my living stones to vibrate to your original created design, and restore Your proper chord structures in my life and family line.
- Break all ungodly ties between me and ungodly beings that were established in any way including through ungodly worship.
- Replace ungodly beats and rhythms with Your heartbeat
- Align my God-given song to the symphony of Your body so that we are of one accord.[2]
- Release into me the correction of sound that took place at the Cross Release into me the sound of every word Jesus spoke on earth
- Remove all ungodly powers that have encapsulated every musical star chord

*[1] Palmoni is Hebrew for a certain holy one, numberer of secrets; key scripture, Daniel 8:13*

*[2] It is our understanding that this will bring healing to the land*
