

## **Prayer to Realign the Pillars of Wisdom**

Lord, I bring to Your remembrance all of the generational repentance that I have ever done and ask that You will appropriate it to each of the seven pillars so that the seven aspects of my generational line that are tied to the seven pillars and the seven eyes are cleaned out. I also repent for and renounce the sin of:

- All of my ancestors who established ungodly sacred pillars on land areas, especially as defined by blood sacrifices and sexual immorality
- All negative perceptions that have resulted in a mindset that caused me to believe that I am not a legitimate child of God
- Entering into a belief that I lack, am in need, and have unrealised wants, and that I must obtain what I expect
- Those in my family line who used the seven pillars to translocate to different places upon the earth

Lord, will You please:

- Correctly align the seven pillars so that they are in the correct order
- Return all aspects of the seven pillars to the correct pillars so that each one correctly contains the seven correct aspects.
- Clean out each generational line in each pillar.
- Remove all time distortions and time loops in each of the seven pillars
- Disconnect each pillar from all ungodly thrones
- Correctly allocate the four rivers that flowed out of Eden to each pillar
- Clean off all elemental spirits that are affected by the distortion of the seven pillars
- Correctly align each pillar to both the correct sound of the musical scale and the correct colour according to Your original creative design
- Remove all ungodly whirlwinds in each pillar and establish the correct centripetal force in each pillar
- Correctly associate each pillar with every other pillar so that they are established in unity
- Please align the seven pillars dimensionally so that each pillar connects correctly to the right number of righteous dimensions
- Let each pillar be filled with only Your Glory and pureness of heart
- Strengthen each of the seven rods in each pillar and realign them to the original creative design
- Establish each pillar correctly on the foundations set aside for each of them
- Only allow what you have meant for these pillars to hold and support used only for Your original intent
- Please remove all walls that prohibit the correct alignment of the pillars

- Correctly align the DNA and RNA and clean off all contamination on the glorious ones and the fiery stones, which have been affected by the contamination of the seven pillars
- Restore the correct godly authority in each pillar

Holy Spirit, in Your function of Wisdom, please correctly build Your house in my life, retune each pillar so that it reflects the correct sound; clean off the seven eyes of the heart that are tied to the seven pillars of wisdom. Also, please:

- Correctly connect the seven pillars of wisdom to the seven spirits of God and the seven eyes
- Clean all contamination out of the seven spirits of the Lord, the seven pillars, and the seven eyes
- Close all doors that need to be closed, and open all doors that need to be opened  
Correctly position me so the perception of my heart is correct
- Bring all righteous beings and entities into correct synergy so that the seven pillars, seven spirits of God, glorious ones, elemental spirits, thrones, dominions, lines of inheritance, fiery stones and the pathways all function in correct unity

Lord, I declare that I want the eyes of my heart to be enlightened by Your truth so I may know that which is:

- The hope of Your calling
- The riches of the glory of Your inheritance in and for the saints
- The exceeding greatness of Your power toward us who believe

Please accomplish all of this according to the working of Your mighty power, which worked in Christ Jesus when He was raised from the dead and seated at Your right hand in the heavenly places.
